

## Join the Start Well residents' panel

Your local NHS is recruiting resident representatives to support Start Well: a new programme that aims to ensure pregnant people, babies, children, young people and their families in North Central London receive the best care.

We would love to hear from you if you are:

- aged 18 or over
- live in Barnet, Camden, Enfield, Haringey or Islington
- and have experience of local NHS maternity, neonatal, or children and young people's services during the last three years.

There are two ways to get involved:

1. Join our **online residents' panel** where you can share your views and provide feedback (around 30 minutes a month)
2. Apply to be a **resident reference group representative** and have more in depth involvement (a few hours a month).

**Find out more about the opportunities online:**
