

Emotional, security and attachments (EPIP)

EPIP provide a services working with parents to be and parents with a babies up to 18 months

- Are you feeling low or depressed?
- Are you anxious or worried?
- Are you feeling concerned that you haven't formed a bond with your baby?

•

What is EPIP?

They are a small team consisting of a specialist health visitor, a parent infant psychotherapists. We work with parents and their babies to understand the feeling you have for your new baby & trying to find ways of communicating together and enjoying each other.
